Welcome to Montclair Royale

We would like to give a warm Montclair Royale welcome to Mary Curry. When you see her in the hallway be sure to say hi and welcome her home.

October 2015

Executive Director

Sue Pyle, Executive Director

I am excited to celebrate Halloween with all of you, and your creative ways! We will be celebrating in costume on Oct. 30. Remember to dress up and surprise us with your costume. We will again have our annual Halloween Costume contest.

Please remember to look at the calendar for our daily Activity programs.

I would like to congratulate our Dietary Department for their continued success and achievement of 100% compliance during Department Consultant visits. Keep up the good work!

CONGRATULATIONS!

Resident Spotlight

Betty Brake

Betty Brake

This month, Montclair Royale would like to shine our light on our dear resident, Betty. Betty has been part of our Montclair Royale family since January 2015. Just last month Betty celebrated her birthday with her friends here.

Betty grew up in Mulberry, Arkansas, as an only child. She enjoyed spending her days with her mother. She learned to cook and other hobbies with her mother's assistance, although she claims her mother was a much better cook than her.

In 1940 Betty moved to California. One evening at a dance in Pomona, Betty met the love of her life, and was married soon after (1948) in Las Vegas, Nevada. Betty's husband was in the US Navy.

Betty and her husband soon grew their family from the two of them with the addition of their son Jim. They also had a furry family member, Fritz, their dog.

Betty had several hobbies. The one she found very enjoyable was collecting antiques. If you visit her in her room, she is proud of her Teddy bear collection.

A fond memory that she has is her mom's good cookin'. She really enjoyed her meatballs and mashed potatoes. Even though her mom taught her how to cook she really did not enjoy it.

Another fond memory that Betty has is travelling around Los Angeles on the Streetcars when she first moved to California.

Betty and her husband were blessed with one son, Jim. Jim is able to visit with her regularly, and enjoys eating 'In-N-Out,' and tacos.

Betty is also blessed to have two grandchildren. Their names are Allison and Andrew.

Betty is able to brighten your day. She brings joy to all of the staff and residents of Montclair Royale, with her kind words and caring heart.

When you see Betty in the hallways, dining room, or activity room, remember to say hi, now that you know a little bit more about Ms. Betty Brake.

Team Member of the Month

Congratulations, Oralia Covarrubias

Montclair Royale would like to take a moment to thank Oralia Covarrubias for all of her hard work! Oralia is our Lead Memory Care Housekeeper. She has been with Montclair Royale for 3 years. Some of you may not know this, but Oralia started in our Dietary Department. At the time we had an opening for a housekeeper, so Oralia offered her assistance. Since then she has continued to provide excellent guest services to our residents!

In her spare time, she enjoys health and fitness. Both are very important to her. She spends a lot of her spare time working out and eating healthy foods. One of Oralia's favorite things to do, is to dine out at the newest, fine dining restaurants. Oralia is a proud mother of three, and she has been a very strong, independent role model for her children. Her supervisor, Patricia, has described her as someone who is always ready to lend a helping hand, as well as one who really shows her compassion for the residents through her work.

Oralia has continued to educate herself and work hard toward making English her first language. At Montclair Royale we take pride in our staff for their hard work and determination to create a safe and beautiful environment for all who reside with us.

Seeking Autumn Splendor

In many parts of the country, people will begin to take in the explosion of color that comes when the leaves on trees change from green to hues of red, orange and gold. From September to November, leaf-peeping—viewing and photographing fall foliage—becomes a popular pastime, especially in the Northeast and parts of the Southeast and Midwest. The colors of nature's annual spectacle depend on a combination of factors, including tree type, temperature and rainfall.

A Tribute to the American Flag

For many of us, the memory of reciting the Pledge of Allegiance in school is a common one. Standing with right hand over heart and speaking the words in unison was a typical start to the day. Fittingly, America's classrooms were the reason for the pledge's creation.

In 1892, Francis Bellamy was a staff member of "The Youth's Companion," a popular children's magazine. He was tasked with creating a patriotic program for the nation's public schools to celebrate the 400th anniversary of Christopher Columbus' arrival in the New World. A key component of the program was a tribute to the American flag that students would recite together. Bellamy drafted the original pledge: "I pledge allegiance to my flag and the republic for which it stands, one nation, indivisible, with liberty and justice for all."

In October of that year, millions of school-children participated in the festivities, and in time, the pledge became a part of classroom routine. Through the years, the pledge has been slightly modified to the words we know today. In June 1942, it was included in the US Flag Code, and in 1945, the official name, the Pledge of Allegiance, was adopted.

Our Annual 9/11 Remembrance

On Sept. 11 we **remembered** those whom we lost as well as the innocence lost during the horrific events that unfolded on that fateful day. We were lead in prayer and readings by Roy, our Resident Council Chaplin. We sang our National Anthem, and recited, The Pledge of Allegiance lead by our council President Ursula.

Staff and residents came together to remember and share our silence for those who were lost on that day. Thank you for all those who participated.

Montclair Royale Crafts

Elizabeth Crafting

Join us for various crafts in the Activity Room. We enjoy decorating for the different seasons.

Quick Costumes

The costume party is in 15 minutes, and you don't have a thing to wear! Fear not, for these last-minute, easy costume ideas will help you save face, or maybe even hide it.

Smartphone or tablet. Color little squares of paper with the logos of familiar apps, such as Facebook, and tape them in rows to a black T-shirt.

Ladybug. Stick large black dots on a red shirt, wear black leggings, and you're instantly as cute as a bug!

Ceiling fan. Wear a sign that says, "Go, Ceiling!" Carry pom-poms for added effect.

Bottleneck. Tie an empty bottle around your neck and complain about heavy traffic.

Refrigerator magnet. Paint a shoebox black, and attach it to your back. Ta-dah!

Static cling. Attach socks, washcloths and dryer sheets to your clothes.

Buccaneer. Tape a one-dollar bill to each ear and expect to hear your friends groan.

Iron chef. Wear a chef's hat and carry a clothing iron.

Baked potato. Wrap yourself from head to toe in aluminum foil.

Egg. Wear white clothing and attach a yellow circle to your shirt. With horns and a pitchfork, you become a deviled egg.

The Fonz. Don a black leather jacket, white T-shirt and jeans. Don't forget to act cool.
